Subject: **Approval of requests for ENUM delegation of code 878 10**

Dear Sir,

This is to inform you that Study Group 2 has approved the delegation of code 878 10 for ENUM in accordance with the attached request.

This approval is based on the understanding that all administrative entities, including DNS administrators, will adhere to all the applicable tenets of all pertinent ITU Recommendations, e.g. E.164, E.164.1, E.190 and E.195, with regard to the inclusion of the E.164 resource information in the DNS.

Please also note that Study Group 2 may at any time revoke its approval and request that TSB file an objection to the delegation.

Yours faithfully,

Houlin Zhao  
Director, Telecommunication  
Standardization Bureau
